DESCRIPTION

The WODARE is a softshell work coat. The removable sleeves allow you to turn the coat into a sleeveless work coat. It's made from strong polyester, a breathable water-resistant membrane, and micropolar fabric. These materials make the coat a solid windbreaker, as well as a good all-round outdoor coat protecting you from the cold and any bad weather you may come across. This coat is perfectly adapted to outdoor work, numerous pockets make the coat practical, and the bright colors insure good visibility.

COMPOSITION

3 Layer softshell 94% polyester / 6% Spandex

+ PU Membrane + Polar 100% polyester. 310 g/m².
Made from OEKO-TEX®-certified materials.

KEY BENEFITS

- Water-repellent / breathability.
